Hello Gil and Pascal,

Attached is the latest CA Permits Status Tracking Sheet, reflective of PG's NPDES Permitting activities in California through February 2017. Please let me know if you have any questions or comments.

Additionally, we just moved to a new office this week. Please note my new contact information below (although you can still use the old number, just need to use ext. 2002).

Thank you,

Dan Connally
